

Prestige Wealth Inc. Announces Receipt of Nasdaq Notification Regarding Minimum Bid Price Deficiency

HONG KONG, April 02, 2025 (GLOBE NEWSWIRE) -- Prestige Wealth Inc. (NASDAQ: PWM) ("PWM", or the "Company"), a wealth management and asset management services provider based in Hong Kong, today announced that, on April 1, 2025, the Company received a letter from the Listing Qualifications Department of The Nasdaq Stock Market LLC ("Nasdaq") notifying the Company that based on the closing bid price of the Class A ordinary shares of the Company for the last 30 consecutive business days, the Company no longer meets the continued listing requirement of Nasdaq under Nasdaq Listing Rules 5550(a)(2), to maintain a minimum bid price of \$1 per share.

The notification has no immediate effect on the listing or trading of the Company's Class A ordinary shares on Nasdaq. Nasdaq has provided the Company with an 180 calendar days compliance period, or until September 29, 2025, in which to regain compliance with Nasdaq continued listing requirement. In the event that the Company does not regain compliance in the compliance period, the Company may be eligible for an additional 180 calendar days, should the Company meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and is able to provide written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse stock split, if necessary. However, if it appears that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, Nasdaq will provide notice that the Company's securities will be subject to delisting.

The Company is currently evaluating options to regain compliance and intends to timely regain compliance with Nasdaq's continued listing requirement. Although the Company will use all reasonable efforts to achieve compliance with Rule 5550(a)(2), there can be no assurance that the Company will be able to regain compliance with that rule or will otherwise be in compliance with other Nasdaq continued listing requirement.
